1968**

No. 33 OF 1968

Enacted by the President in the Nineteenth Year of the Republic of India.

An Act to validate the levy of certain tolls.

7 of 1968. In exercise of the powers conferred by section 3 of the Uttar Pradesh State Legislature (Delegation of Powers) Act, 1968, the President is pleased to enact as follows:—

1. (1) This Act may be called the Uttar Pradesh Tolls Validation Act, 1968. Short title and commencement.

(2) It shall come into force at once.

certain
period.

2. (1) Notwithstanding any judgment, decree or order of any court, all tolls levied or purporting to have been levied during the period beginning with the 22nd day of March, 1963 and ending on the commencement of this Act under the U.P. Government notification No. 2662-C/XXIII-PWA-133C/1960, dated 22nd March, 1963, issued under section 2 of the Indian Tolls Act, 1851, in respect of bridges notified, from time to time, under paragraph 2 of the U.P. Government notification No. 5495 (3)-C/XXIII-PWA-217C-1953, dated 1st November, 1956, issued under section 2 of the said Act, shall be deemed to have been lawfully levied as if the said bridges had been notified under paragraph 2 of the first-mentioned notification on the 22nd March, 1963; and accordingly,—

(a) no suit or other proceeding shall be maintained or continued in any court for the refund of any toll levied or recovered from any person as aforesaid in respect of any such bridge; and

(b) no court shall enforce a decree or order directing the refund of any toll paid by any person in respect of any such bridge before the commencement of this Act.

(2) For the removal of doubts it is hereby declared that nothing in sub-section (1) shall be construed as preventing any person from claiming refund of any toll paid by him in respect of any such bridge in excess of the amount that would have been due from him if the bridge had been duly notified on the 22nd day of March, 1963, under the first-mentioned notification.

ZAKIR HUSAIN,
President.

V. N. BHATIA,
Secy. to the Govt. of India.

Reasons for the enactment

In 1956, the Government of Uttar Pradesh decided to levy toll on those bridges constructed after July 21, 1956 and lying on roads under the control and management of the State Public Works Department which cost more than Rs. 2.50 lakhs and had a span of more than 200 ft. Accordingly, under section 2 of the Indian Tolls Act, 1851, a notification dated November 1, 1956 containing the terms and conditions for the levy of tolls and fixing the rates of toll was issued. It was also provided in this notification that the bridges which would be subject to levy of tolls shall be notified from time to time. The said notification dated November 1, 1956 was amended

from time to time and was finally superseded by the notification dated March 22, 1963. In this new notification it was provided that the terms and conditions and the rates of toll contained therein would be applicable to those bridges which were notified thereafter under paragraph 2 of the said notification.

2. By inadvertence, however, no fresh notification was issued in respect of the bridges which had been declared as toll bridges prior to the issue of the said notification dated March 22, 1963. The Allahabad High Court has held the levy of toll on those bridges as illegal for want of such notification. The proposed measure seeks to validate the levy of tolls on such bridges during the period from March 22, 1963 to-date.

3. The Committee constituted under the proviso to sub-section (2) of section 3 of the Uttar Pradesh State Legislature (Delegation of Powers) Act, 1968 (7 of 1968), has been consulted before the enactment of this measure as a President's Act.

Reasons for the enactment

For purposes of development of agriculture and agro-industries, the Uttar Pradesh Agro-Industrial Corporation Ltd., a Government Company registered under the Companies Act, 1956, has been set up exclusively with the funds of the State Government and the Government of India for supplying on credit or hire-purchase, agricultural implements and machinery to agriculturists in Uttar Pradesh. The World Bank has also proposed to give loans to be distributed through the State Bank of India to the agriculturists of the State, on the guarantee of the State Government, for helping them in obtaining resources necessary for intensive cultivation. Other scheduled banks are also likely to participate in such schemes, and other corporations having the character of Government Companies may have to be formed in future, for providing financial assistance for various purposes enumerated in section 2(b) of the Public Moneys (Recovery of Dues) Act, 1965 (U.P. Act No. XXV of 1965). It is necessary, for protection of public funds, to provide for recovery of the amounts due from defaulters as arrears of land revenue by amending suitably the Public Moneys (Recovery of Dues) Act, 1965.

2. The measure is being enacted accordingly.

3. The Committee constituted under the proviso to sub-section (2) of section 3 of the Uttar Pradesh State Legislature (Delegation of Powers) Act, 1968 (7 of 1968), has been consulted before the enactment of this measure as a President's Act.

ZAKIR HUSAIN,
President.

V. N. BHATIA,
Secy. to the Govt. of India.

Reasons for the enactment

Section 42 of the Code of Civil Procedure was amended in its application to Uttar Pradesh by the U.P. Civil Laws (Reforms and Amendment) Act, 1954 (U.P. Act XXIV of 1954). The object of the amendment was to confer on the court to which a decree is transferred for execution, the power of the original court in respect of substitution of legal representatives, and other similar powers. But an unfortunate and unintended effect of the amendment as then drafted was that a transferee Civil Court was deprived of the power to execute the decree against immovable property where the original court was a court of small causes. This lacuna has been pointed out by the High Court in its judicial decisions and was also noticed by the Mukherjee Committee on the Causes of Corruption in Subordinate Courts. There has been a persistent demand by Bar Associations to rectify the mistake. It is accordingly proposed that the section may be amended on the lines suggested by the Law Commission of India in its 27th Report on the amendment of the said Code.

2. It is further proposed to amend the Bengal, Agra and Assam Civil Courts Act, 1887, for increasing the pecuniary appellate jurisdiction of the District Judges from Rs. 10,000 to Rs. 20,000 with a view to reducing arrears in the High Court. The fall in the value of the rupee since 1887 (when the limit of Rs. 5,000 was fixed) also justifies further increase in the appellate jurisdiction of District Judges.

3. It is also proposed as recommended by the Law Commission of India to increase the limits of pecuniary jurisdiction in small causes suits, exercised by Munsifs, Civil Judges and Small Cause Court Judges respectively, from Rs. 250, Rs. 500 and Rs. 1,000 to Rs. 500, Rs. 1,000 and Rs. 2,000. The existing pecuniary limits were

fixed eighty years back (except in the case of Munsifs whose jurisdiction was last raised in 1911) since when the value of rupee has fallen considerably. The effect of these amendments will be to reduce the arrears in the subordinate civil courts inasmuch as small cause cases take much less time to dispose of than regular suits, and decisions in these suits are also not subject to appeal.

4. The Committee constituted under the proviso to sub-section (2) of section 3 of the Uttar Pradesh State Legislature (Delegation of Powers) Act, 1968 (7 of 1968), has been consulted regarding the enactment of this measure as a President's Act.
